Hi Nicole
I hope this email finds you well and that you fully enjoy the summer.
Looking into developments in my schedule I wonder whether you can consider making your visit to IL few days earlier, say September 9-11 rather than Sept 16.
If you can not than we will stick to the original.
But it will help me a lot if you could consider this change.
Reporty is moving fast forward and I will update you along the way.
Looking forward to your response.
Best
Ehud Barak

Hi Nicole
I think Sept 16-21 are the best dates in the second half of September.
September 14-15 is a New Year holiday. And on the 22nd I leave to the U.S.
Please let me know if this works for you.
Reporty will be ready for any presentations needed.
Let me know as well if you have other wishes as well,both re business as well as pleasure and I'll try to be of help.
Best

Hi Nicole
I'm finally back in IL.
Hope U R well and happy.
Hope you're not invested in China and HK stock exchange and not having ordered major deals in NY in the last 30min.
I send you the monthly report of R.
4 your I's.
I'll be glad if you're still interested in visiting IL.
And have a look into R. And probably other things as well.
Better dates could be between 10-20 of August.
Or around mid-September.
Let me know please.
Yours
EB
